

For almost 10 years yelster digital identifies, develops and operates technology platforms and online services in the scope of digital marketing. We offer an exciting work environment combining the agile independency and flexibility of a startup with the backing of an expanding, international corporation. yelster digital employs more than 35 experts and is part of the French SoLocal Group.

To support our teams in Vienna or Salzburg we are looking for passionate and dynamic talents with profound work experience – preferable in startups – and the commitment to actively move the company forward.

For the extension and development of a global platform for online services targeting SMEs we are currently seeking a

## **(Junior or Senior) PHP/Frontend Developer f/m**

Full time position in Vienna or Salzburg

### **Your responsibilities:**

- „Full-Stack“ development of new and existing web platforms
- Optimization and adaptation of web and mobile platforms for new markets
- Teamwork in an international, distributed setup

### **Your profile:**

- Experience with PHP
- Wordpress knowledge, including plugins, themes and multisite
- Experience with Version control systems (Git)
- Database (MySQL/MariaDB) and redis knowledge
- Frontend knowledge, including javascript tooling such as Webpack, gulp or others and framework knowledge like Angular or React.
- Working with Linux (debian/ubuntu) feels natural.
- Excellent written and spoken English is a must (German, Spanish, French appreciated)
- Experience with or interest in one or more of the following would be a plus: Python, Nixos and/or Functional programming

### **We offer:**

- Altering, challenging tasks in a dynamic environment being part of an international team
- Full-time position with a long time career perspective
- Pleasant work location in the heart of Vienna or Salzburg
- Start immediately or upon agreement
- Compensation clearly above average, according to actual experience and in compliance with the Austrian IT-Kollektivvertrag (e.g. minimum compensation for “Erfahrungsstufe ST2” of EUR 54.656,00 annual gross salary).
