

For almost 10 years yelster digital prototypes, develops and operates technology platforms and online services in the scope of digital local communications. We offer an exciting work environment combining the agile independency and flexibility of a startup with the backing of an expanding, international corporation. yelster digital employs more than 35 experts and is part of the French SoLocal Group.

To support our teams in Vienna or Salzburg we are looking for passionate and dynamic talents with profound work experience – preferable in startups – and the commitment to actively move the company forward.

We are currently seeking for the extension and development of a global platform for online services targeting SMEs a

## Senior Technical Product/Project Manager (web and mobile)

### Your responsibilities:

- Take over the product ownership of current and future web and mobile based platforms
- Lead a team of about 10 developers and project managers
- Work closely with our design and development teams
- Coordinate project interactions with international teams (management & technical contacts)
- Create and maintain product roadmaps
- Create and maintain product requirements and specifications
- Create and distribute product related reports (e.g. usage statistics)
- Develop and drive product innovations
- Work proactively and report your progress to management
- Project Controlling & Resource Management

### Your Profile:

- Experienced Project/Product Manager (Agile Framework)
- Experienced with UX design and Wireframing
- Understanding of Web technologies and Databases
- Understanding of the Software Development lifecycle
- Ability to manage and coordinate multiple streams of work simultaneously
- Ability to effectively resolve issues to ensure timely delivery
- Written and spoken English (German and/or French appreciated)
- Curious, passionate and willing to learn and share

### Any of the following would be considered as a plus:

- Development Skills
- Experience with Business Intelligence Tools and Database Queries
- Adobe Photoshop and/or Fireworks skills

### We offer:

- Altering, challenging tasks in a dynamic environment being part of an international team
- Full-time position with a long time career perspective
- Pleasant work location in the heart of Vienna
- Start immediately or upon agreement
- Compensation clearly above average, according to actual experience and in compliance with the Austrian IT-Kollektivvertrag (e.g. MINIMUM compensation for "Erfahrungsstufe ST2" of € 53.215,-).
