

Yelster digital, an Austrian IT-Company, develops innovative online services for individuals and businesses. Founded in 2007, yelster digital employs an international team of more than 30 experts and is part of the French Solocal Group since 2010. Yelster digital offers an exciting work environment combining the agile independency and flexibility of a startup with the backing of an expanding, international corporation.

To support our teams in Vienna or Salzburg we are looking for passionate and dynamic talents with work experience – preferable in startups – and the commitment to actively move the company forward.

We are currently seeking for the extension and development of our Web and Mobile Applications a
