

Yelster digital, an Austrian IT-Company, develops innovative online services for individuals and businesses. Founded in 2007, yelster digital employs an international team of more than 30 experts and is part of the French Solocal Group since 2010. Yelster digital offers an exciting work environment combining the agile independency and flexibility of a startup with the backing of an expanding, international corporation.

To support our teams in Vienna or Salzburg we are looking for passionate and dynamic talents with work experience – preferable in startups – and the commitment to actively move the company forward.

We are currently seeking for the extension and development of our Web and Mobile Applications a

Web Developer (Frontend or Fullstack)

in Vienna, Full Time Employment

Your Responsibilities:

- Extension and maintenance of one of the core products of the Solocal Group, one of the biggest internet players in Europe
- Independent work and implementation of complex tasks
- Teamwork in an international, distributed setup

Your Profile:

- Agile Mindset
- Curious, passionate and willing to learn and share
- Completed, relevant technical education
- Written and spoken English (German and/or French appreciated)
- Practical experience in agile development teams, preferably with Scrum
- Responsible, careful way of working, commitment and fun working in a team
- Several years of experience with Angular (v5 and above) and Redux (ngrx)
- Several years of experience with HTML5, CSS3 (SCSS), JavaScript (ES6) and Typescript
- Good understanding of Web APIs (REST and GraphQL)
- Experience with Linux / Unix Operating Systems
- Experience with source control (preferably Git)
- Nice to have: Experience with Ionic v3
- For Fullstack Developers: Python/Django experience highly appreciated

Advantages:

- Altering, challenging tasks in a dynamic environment being part of an international team
- Full-time position with a long time career perspective
- Pleasant work location in the heart of Vienna
- Start immediately or upon agreement
- Compensation according to actual experience and in compliance with the Austrian IT-Kollektivvertrag (e.g. minimum compensation for "Erfahrungsstufe ST1" of € 47.194,-). Depending on know-how, experience and skills we are willing to overpay.
