

Yelster digital, an Austrian IT-Company, develops innovative online services for individuals and businesses. Founded in 2007, yelster digital employs an international team of more than 30 experts and is part of the French Solocal Group since 2010. Yelster digital offers an exciting work environment combining the agile independency and flexibility of a startup with the backing of an expanding, international corporation.

To support our teams in Vienna we are looking for passionate and dynamic talents with work experience and the commitment to actively move the company forward.

We are currently seeking for the extension and development of a global platform for online services targeting SMEs a

Senior Product Manager (technical, web/mobile)

Full time position in Vienna

Your Responsibilities:

- Take over the product ownership of current and future web and mobile based platforms
- Lead the product development team
- Work closely with our product and development teams in Austria and France
- Coordinate project interactions with international teams (management & technical contacts)
- Create and maintain technical product roadmaps
- Create and maintain technical product requirements and specifications
- Create and distribute product related reports (e.g. usage statistics)
- Develop and drive product innovations
- Work proactively and report your progress to management
- Project Controlling, Resource Management and Forecasting

Your Profile:

- Written and spoken English (French appreciated)
- Experienced Project/Product Manager (Agile Framework)
- Understanding of Web technologies (e.g. REST APIs) and Databases
- Understanding of the Software Development lifecycle
- Ability to manage and coordinate multiple streams of work simultaneously
- Ability to effectively resolve issues to ensure timely delivery
- Curious, passionate and willing to learn and share

Any of the following would be considered as a plus:

- French Skills
- Development Skills
- Experience with Business Intelligence Tools and Database Queries
- Experience with Wordpress and eCommerce

We offer:

- Altering, challenging tasks in a dynamic environment being part of an international team
- Full-time position with a long time career perspective
- Pleasant work location in the heart of Vienna
- Start immediately or upon agreement
- In compliance with the Austrian IT-Kollektivvertrag we have to stipulate the minimum compensation. (e.g. minimum compensation for "Einstiegstufe" - "Erfahrungsstufe ST2" of € 42.952,-- to € 57.596,-). Individual experience and knowledge will be clearly honored in the reel compensation package.
